Parul University

B.Tech in Computer Science and Engineering

CGPA: 6.63

Vadodara, Gujarat

Expected Graduation, April 2025

PROFILE SUMMARY

Aspiring Frontend Developer | Passionate About Crafting Responsive & User-Friendly Websites

- **Proficient in HTML5, CSS3, and JavaScript** – Developing clean, responsive, and efficient web applications.
- **Experienced with Tailwind CSS & Bootstrap** – Creating modern, mobile-friendly, and visually appealing designs.
- **Skilled in frontend development** – Building interactive and structured layouts using HTML, CSS, and JavaScript.
- **Familiar with React** – Understanding component-based development for dynamic user interfaces.
- **Knowledge of JavaScript libraries (GSAP, Swiper)** – Adding smooth animations and interactive elements.
- **Basic experience in Figma and prototyping** – Translating design concepts into functional web pages.
- **Committed to continuous learning** – Staying updated with the latest frontend trends and best practices.

With **4 months of experience in designing frontend interfaces using HTML, CSS, JavaScript, and Bootstrap**, I am eager to apply my skills, contribute to innovative projects, and grow as a frontend developer.

EXPERIENCE

ProbSol Technology

December 2024 - Present

Web Developer Intern

Worked as a Frontend Developer intern on the Field Service Management (FSM) system for a pest control company. Designed and developed UI/UX for Create and Edit pages of multiple modules using HTML, CSS, JavaScript, Bootstrap, jQuery, and AJAX. Implemented form validation techniques, ensured data integrity, and prevented duplicate email entries in the database. Gained experience in backend integration with Laravel, PHP, and MySQL, collaborating closely with the development team. Utilized Git and GitHub for version control and project management, enhancing team coordination and workflow efficiency.

PROJECTS

Smart Cube Landing Page [\[View Project\]](#) [\[Code\]](#)
