EDUCATION

Parul University

B.Tech in Computer Science

CGPA: 6.5

Vadodara, Gujarat

Expected Graduation, April 2025

PROFILE SUMMARY

Aspiring Frontend Developer and UI/UX Designer seeking opportunities with a reputable organization to deliver creative solutions and advance professionally.

- Proficient in **Figma**, crafting intuitive and visually appealing user interfaces.
- Strong understanding of **UX design** principles to create user-friendly and engaging experiences.
- Experienced in building responsive web applications with **HTML5**, **CSS3**, and **JavaScript**.
- Skilled in creating **wireframes**, **prototypes**, and **high-fidelity mock-ups** to communicate design concepts effectively.
- Knowledgeable in **React** and **front-end frameworks** for seamless integration of design and functionality.
- Committed to staying updated with the latest design trends and development best practices to deliver innovative solutions.

PROJECTS

Go Globe [\[View Project\]](#) [\[Code\]](#)

Tools and Frameworks: React, Swiper.js, GSAP, Tailwind CSS

Developed a single-page application for the fictional travel brand Go Globe using React and Tailwind CSS. Implemented React Router for navigation, useState for dynamic content, and integrated Swiper JS and GSAP for interactive sliders and smooth animations, enhancing user experience and engagement.

Go Globe UI/UX Design [\[Case Study\]](#)

Tools: Figma

Designed the landing page for Go Globe, focusing on a user-centered and visually appealing interface for web platforms. Created prototypes and high-fidelity mockups using Figma to effectively communicate design concepts.

Decoluxe Furniture [\[Case Study\]](#)

Tools: Figma

Designed a visually appealing and user-friendly interface for the Decoluxe furniture app, emphasizing high-quality visuals and intuitive navigation. Developed detailed product pages with comprehensive descriptions and high-resolution images, and created a prototype to communicate design concepts and gather feedback.

CERTIFICATIONS

- Earned a certification in Foundations of User Experience (UX) Design from Google, demonstrating proficiency in UX principles and best practices.
- Earned a certification in Introduction to Front-End Development from Meta, showcasing skills in front-end technologies and development practices.
